Home visiting programs serving families in Butte-Silver Bow County and Anaconda-Deer Lodge County:

Nurse-Family Partnership: A voluntary, free program that partners first-time moms with nurse home visitors. A registered nurse visits the mother in the home throughout the pregnancy until the baby turns two years old. The program offers flexibility in visiting schedules, times and locations. The mom is enrolled and has received her first home visit by no later than the end of 28 weeks of pregnancy. The mom will meet low-income criteria. (available in Butte-Silver Bow only)

Provided By:

Parents As Teachers: A voluntary, free, early childhood home visiting program serving children ages 0-5 years. It is an evidence based curriculum, which believes that parents are their children’s first and most influential teachers. This program believes that the early years of a child’s life are critical for optimal development and provides a foundation for success in school and in life. All young children and their families deserve the same opportunities to succeed, regardless of any demographic, geographic or economic considerations.

SafeCare Augmented: A voluntary, free, evidence based home visiting program serving children ages 0-5 years. SafeCare is a 4-6 month program with home visits at least once a week. It is comprised of four modules including: health, safety, parent/infant interaction, and parent/child interaction. This program has been shown to reduce child maltreatment among families with a history for maltreatment or with risk factors for maltreatment.
